

If you use Chrome or Firefox web browser

1. Open www.webex.com
2. Click on **Attend a Meeting** button.

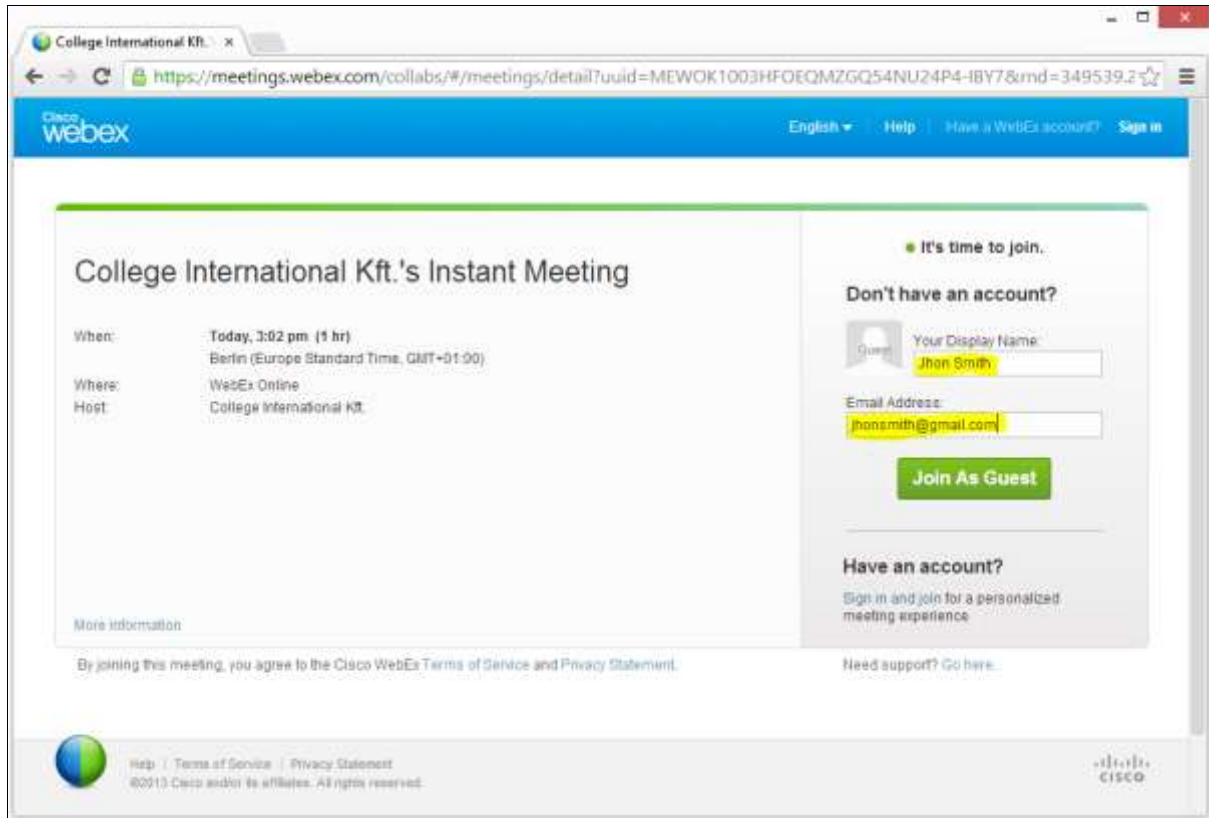

3. Type the **meeting number** and click on **Join Meeting** button.

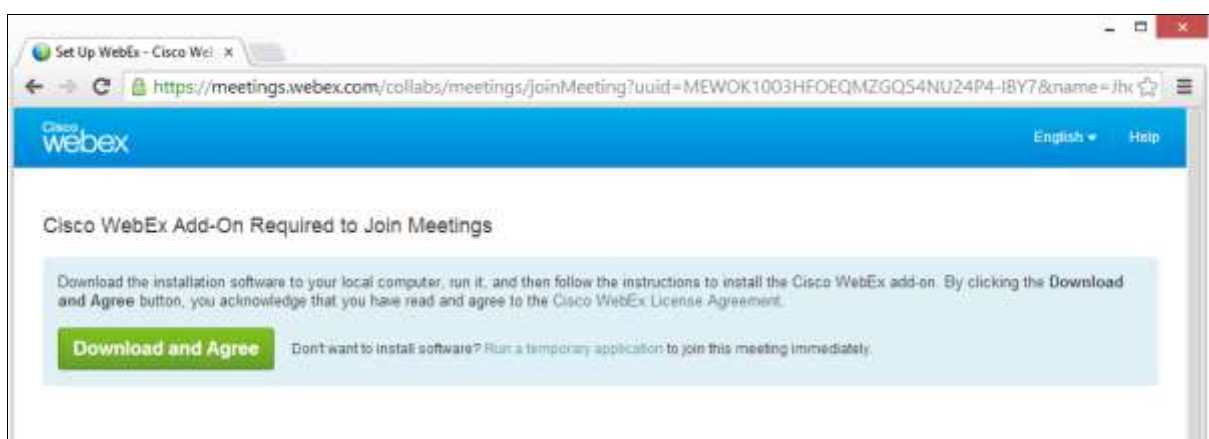

4. **Fill out** the following sections:

- your name
- e-mail address.

5. Click on **Join As Guest** button.

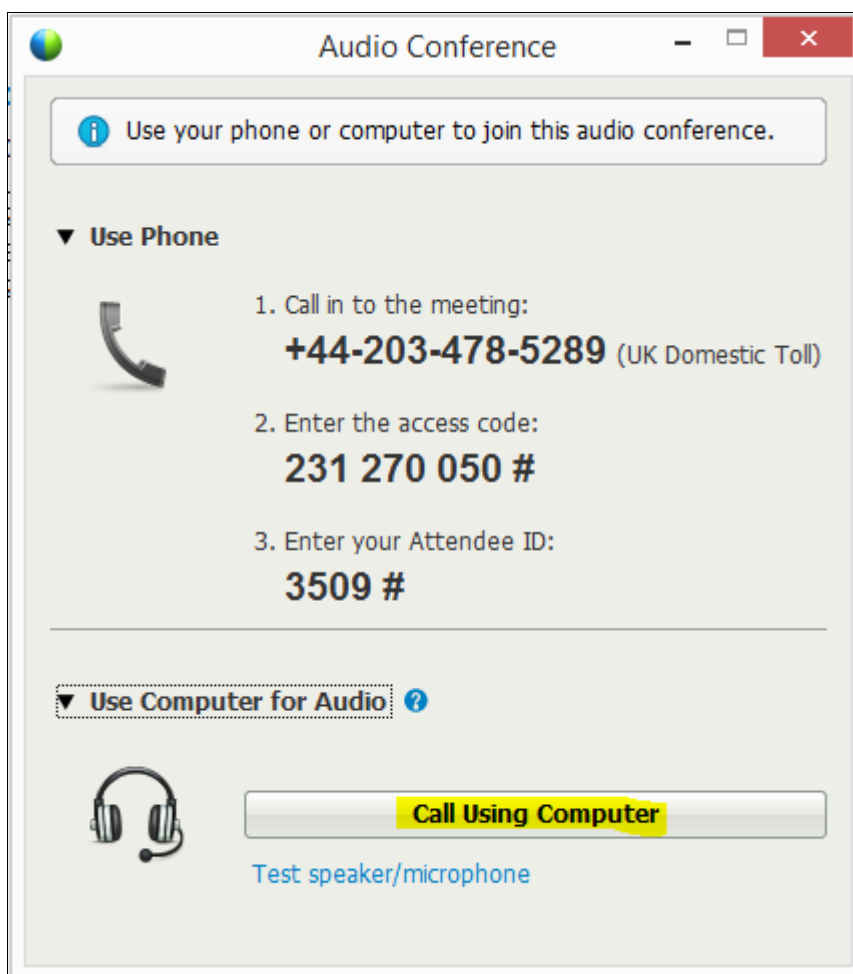

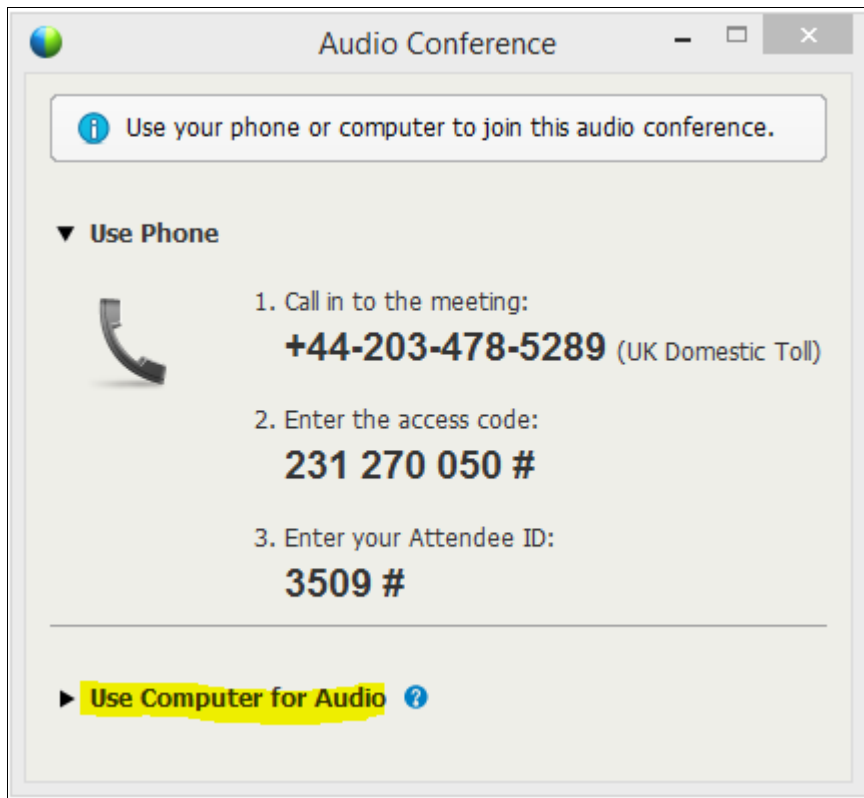

6. Click on **Download and Agree** button, follow the steps!

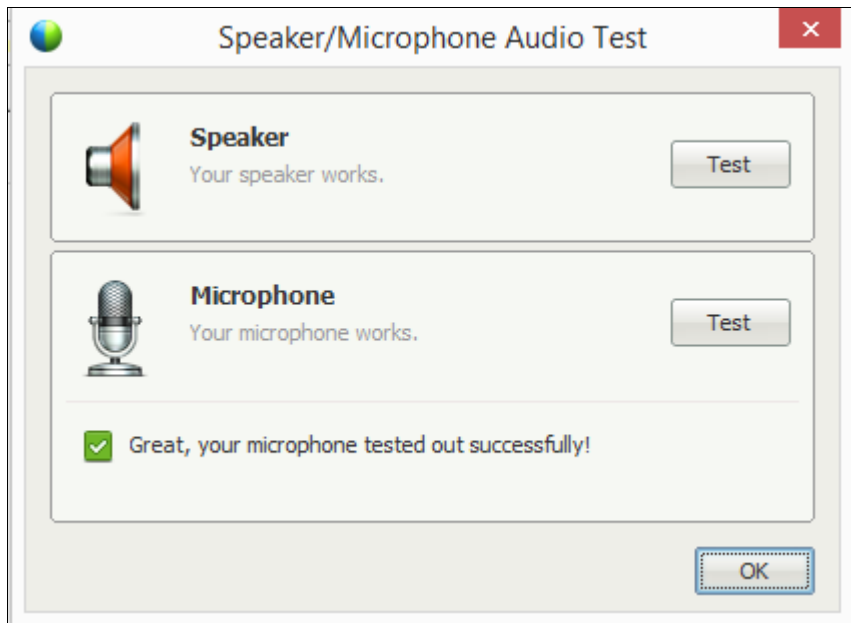

When you installed the program you will see the details of the chosen meeting.

7. Choose **Use Computer for Audio** option, and click on **Call Using Computer** button.

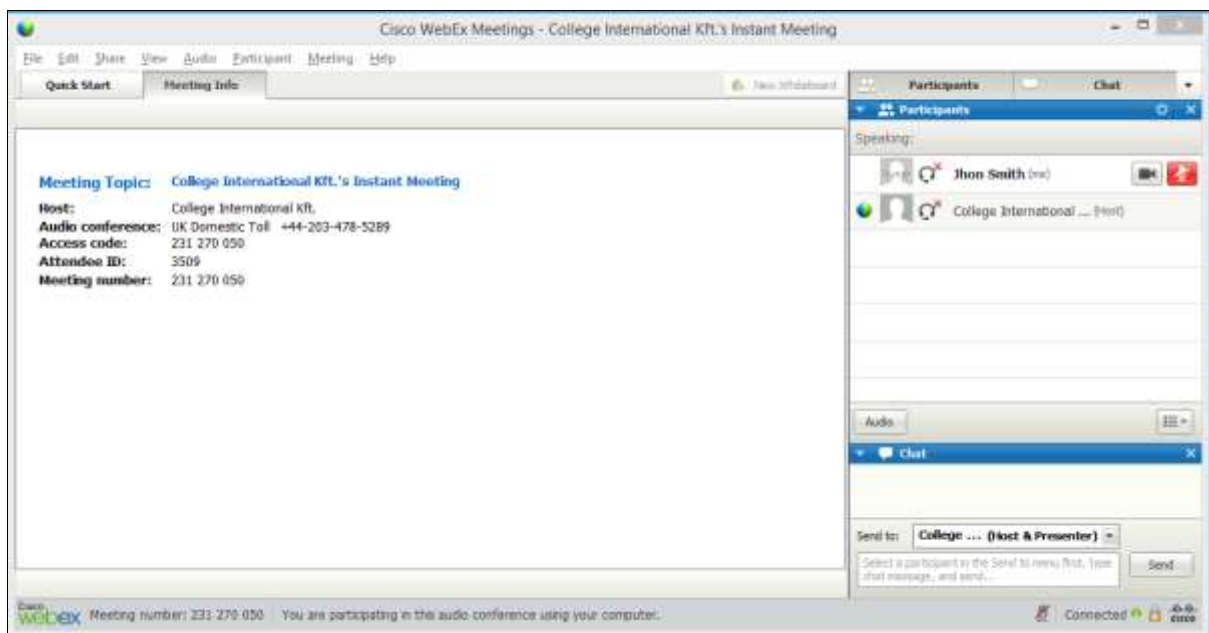

8. Now you can test your audio system.

9. When everything sounds fine click on the **OK** button.

YOU ARE IN THE MEETING!!!

WebEx Meeting is an individual Windows application from now on.
